WHERE SHE ASKS

SHE'S ASKING AI. IT RARELY NAMES YOU.

6 of 96

Answers name you

Her real questions in Australia, without your brand in them.

49 of 88

Name Modibodi

The brand AI reaches for first.

0 of 12

Postpartum answers name you

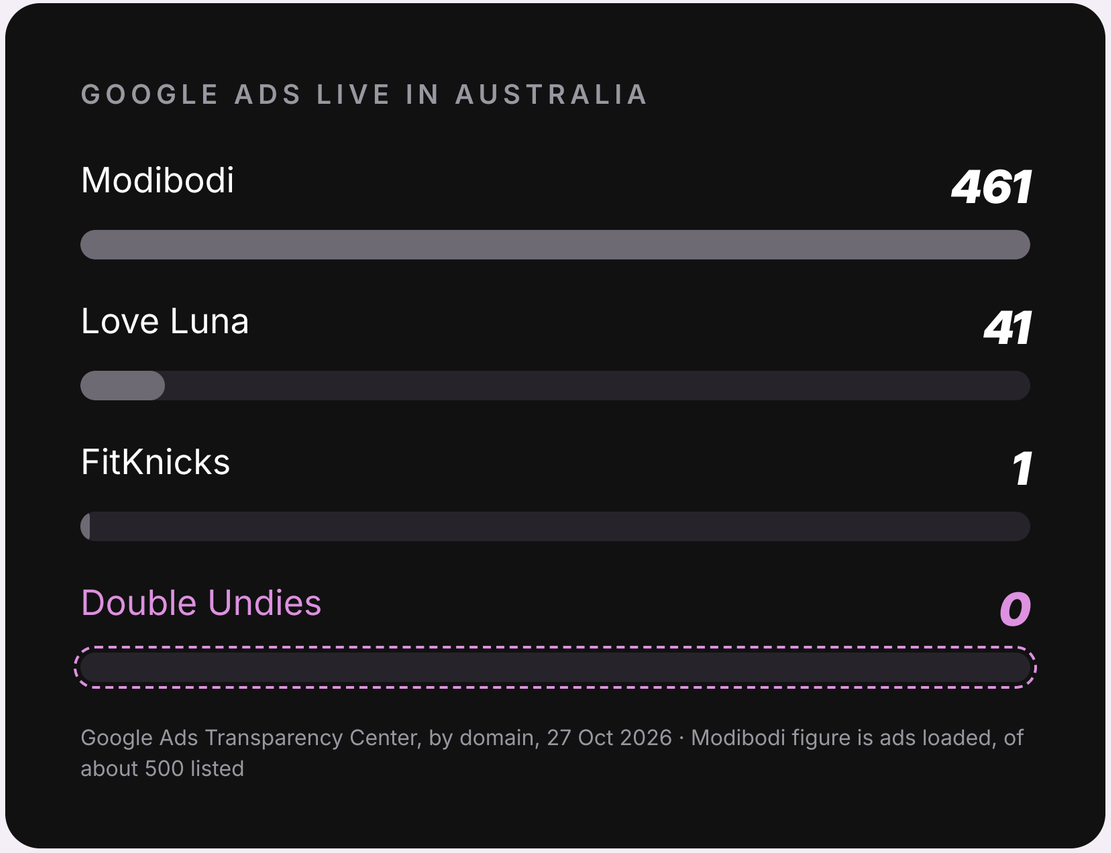

Getting back to exercise after baby.

ChatGPT, Google AI Mode, Google AI Overviews and Google search · 8 unbranded buyer questions, 3 runs each · Australia, 28 Oct 2026.
The full read covers New Zealand, the US and the UK too. We'll walk you through it in the meeting.

WHERE SHE CLICKS

COMPETITORS OWN THE SEARCH ADS.

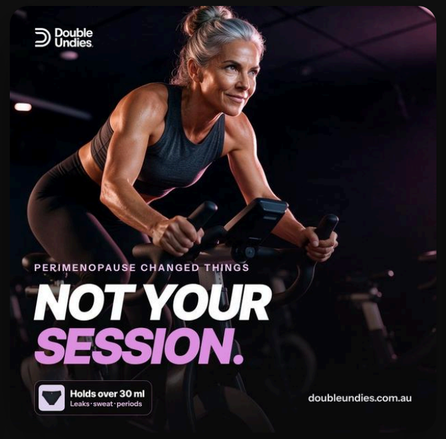

On the day we looked, Double Undies had no Google ads in Australia, New Zealand or the US. Your Meta ads show what works. Search is the next door to open.

A TASTE OF WHAT'S COMING

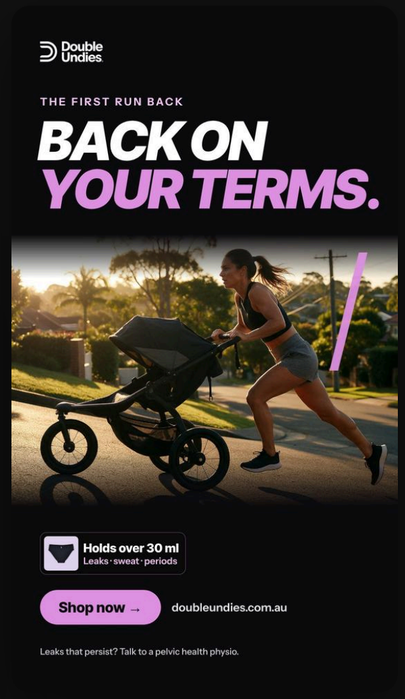

YOUR BRAND, SHARPENED.

Samples made for this pitch, in your colours. Action photography is AI-generated for illustration. Nothing runs without your approval.

WHEN WE MEET

THE REST IS IN THE ROOM.

An hour together, and you'll leave with a clear plan to win Australia first, then further afield.
